TERMS AND CONDITIONS GOVERNING ENROLMENT AND ADMISSION

SCHOOL'S COPY

We, here at Seri Jubli International School would really enjoy having your child(ren) with us. In order that your child will fully benefit from our environment, we have laid down certain policies and conditions. All parents/guardians are advised to read the policies and the terms and conditions governing the admission to the "School" and the child's continued enrolment as student of the School, as set out below.

1. Definitions

The following definitions apply when used herein:

- 1.1 "Parent" is either parent of the child or legal guardian and the provisions herein shall be binding on them jointly and severally.
- 1.2 "School" shall mean The Seri Jubli International School, a private international school fully owned by Seri Jubli International Sdn. Bhd. (Company No: 1180427-P), a company registered under the Companies Act 1965.
- 1.3 "Principal" shall collectively mean the person given the delegated responsibility to lead the School by the Board of Governors, irrespective of their actual job title.
- 1.4 "Student" and "Child" may be used interchangeably in this document, which refers to the child named on the Application Form.
- 1.5 "Application Form" shall mean the Application For Admission forms for Seri Jubli International School.

2. Application

- 2.1 A Parent intending to enroll his/her child to the School, must submit the Application for Admission Form (the "Application Form"), duly and accurately completed and signed. False, inaccurate or misleading information could lead to rejection of the applications of admission to the School. The parent must at all times inform the School of any changes to such information. The School further reserves the right and the parent hereby authorises the School to contact the previous school (if applicable and relevant) or such medical officers or other relevant persons for further information relating to the child in considering the child for admission.
- 2.2 A Registration fee (please refer to the fee schedule (the "Registration Fee") is payable in full with each submission of the Application Form. The Registration Fee shall be payable by either cash, a crossed cheque, bank draft or bank transfer made payable to Seri Jubli International School, at the time of submission of the Application Form. (*Please refer to payment instructions stated in the Application Checklist).
- 2.3 The Registration Fee covers an application for admission to the School for the Semester and Academic Year applied for.

3. Acceptance or Rejection of Application

- 3.1 The placement of the child is also at the absolute discretion of the School and in this regard, the School generally takes into consideration various factors, including the child's age, academic ability, level of achievement relative to the School's current students and the child's behaviour.
- 3.2 The admission of the child is at the absolute discretion of the School and the School is not obliged to offer any justification for the rejection of any application.
- 3.3 On being offered a place, the Parent shall pay the required tuition fees (including the refundable security deposit) at the rate applicable for the semester for which the place is offered within and no later than the stipulated deadline as stated on the letter of offer. (See fee schedule for details). Please note that fees are routinely reviewed on an annual basis and that the fees indicated on the current fee schedule may not be the published fees applicable for subsequent academic years. For the avoidance of doubt, the School reserves the right to revise the fee when deemed necessary and the latest fee schedule would be published on the website.
- 3.4 The School reserves the right to place the child in a class which the Principal deems academically and developmentally suitable to the child's needs at anytime and from time to time whilst the child is enrolled at the School.
- 3.5 For non-Malaysian citizens, admission to, and continued status as a student at the School, is conditional on the child possessing a valid visa issued by the Malaysian Immigration Department. The parent shall undertake to keep the School informed of any change in the status during the child's enrolment at the School.

4. Fees and Payment

- 4.1 Fees for subsequent semesters are payable in advance, to be paid on or before the commencement of each semester. The School reserves the right not to allow the Student to attend class until all outstanding fees have been paid.
- 4.2 Late payment - There is a Surcharge added to any outstanding balance past due. Please refer to the fee schedule or invoice for the chargeable surcharge. The School further reserves the right to apply any monies received, first for payment of the surcharge and the balance, if any, shall be deemed towards the payment of the outstanding amount due.

5. Discipline, Suspension and Termination

- 5.1 The School reserves the right to suspend or expel a Student in a case of misconduct or a serious breach of discipline, particularly if this has a detrimental effect (in the opinion of the School) on the other students in the School.
- 5.2 The School may require, at any time the withdrawal of a Student from the School for any reason at the discretion of the Principal. Reasons may include but not limited to matters related to the Student's inability to participate in or benefit fully from the School's curriculum or if there is a breach by the Parent or the Student of any matters or things not mentioned herein. The school's decision is final.
- 5.3 In the event of the Student having a contagious or infectious disease or illness or in the event of an outbreak of a contagious or infectious disease or illness at the School regardless whether the Student is so infected or otherwise, the Principal may at his discretion prohibit the Student from attending at the School for such period as the Principal deems necessary. The parent or child shall have no claim against the School arising from any such safety action taken by the Principal.
- 5.4 Student must attend all classes regularly, participate in all relevant school or extra curriculum activities and sit for all relevant examinations applicable to the student unless excused on medical grounds or other compelling cogent reason. Failure to attend classes, shall entitle the School to take such actions as may be required, including without limitation, requiring the student to repeat (an) academic semester(s) or to be withdrawn from the School.
